Croquettes

Chop fine any kind of cooked meat or fish. If short of material, add mashed potatoes, or rice, to beef, mutton or fish and to chicken, fish, oysters or veal, add soft bread crumbs, or rice. Moisten light meats with thick white sauce, equal amount, and dark meats with tomato, or brown sauce, made quite thick. Season with salt and pepper and onion juice if liked. When very cold, shape the mixture into balls or cylinders; roll first in sifted bread crumbs, then beaten egg diluted with one tablespoon milk, then crumbs again. Fry one minute in deep Cottolene, hot enough to brown a bit of bread while you count forty. Use a basket, and cook only four at a time. Drain on paper, and be sure that the fat is hot for each frying. Serve plain, or with sauce like that in the mixture, or like that in the mixture, or like that in the mixture.

STREET SIGNS TO BE MODERN

Secretary McElroy and City Engineer Adams, Who Have Matter in Hand, Make Announcement.

Another progressive step is now announced for Bryan. It is that the city is soon to have erected on all street corners modern street signs, signs like those in Dallas, Houston and other modern cities. The signs will be attached to 4 by 4 creosoted posts.

It will be remembered that some time ago announcement was made in the Eagle that the matter of purchas-

ing an erecting these signs, in order to secure free mail delivery, was turned over to Secretary McElroy of the Commercial Club and City Engineer A. S. Adams. These gentlemen went immediately to work and procured samples of different designs and they announced this morning that a decision had been reached and they had wired for the signs. They will be 4 inches wide and 20 inches long, made of very heavy enameled zinc, with blue back ground and white lettering. The signs will be placed on each corner in the city.

Another matter that was coupled with the street signs was the numbering of the houses. These gentlemen announce that the house numbers will arrive this week and be put in place as fast as possible.

REAL SPEED.

Some time ago a young man in the army, whose folks live in an interior town of Arkansas, was sent to the Philippines. Upon his arrival in the islands he sent a cablegram to his father back home. The day after the message arrived the father was speaking about it to a friend.

"Great thing, that cable, Bill," remarked the parent. "Just think of that message comin' all them thousands of miles!"

"Yes, was the hearty response of Bill, "and so thunderin' quick, too."

"Thunderin' quick!" exclaimed the father. "Well, I should say so! When I got that message the musilage on the envelop was'n't dry yet!" American Boy.

"My Killarney Rose" is the title of a new Irish song-play written by Herbert Hall Winslow for Al H. Wilson, the singing dialect comedian, in which Mr. Wilson will make his appearance at the Colonial on Saturday night, October 28th. In addition to an interesting story of Erin, told in a pleasing manner by a capable company, there are numerous stage settings which lend interest to the performance. The comedy part of the play is fresh, bright and original, there being several quaint types of character that will prove a pleasant diversion to the spectators. In addition to this, the different scenes afford a chance for the introduction of a number of new songs by the star. These are not "lugged" in, but, on the contrary, fit in naturally as a part of the play. They include "My Killarney Rose," "The Love I Give to You," "Where the Shamrock Grows," "Mary Houlihan," and "The Yodel That Stole My Girl Away." Reserve your seats today.

HARRIS COUNTY FIRES ITS DEMONSTRATOR

Commissioners Passed Order Discontinuing Services of J. W. Carson November 1st.

Although the commissioners' court of Harris county has found out that it cannot abandon the demonstration farm, it intends to get rid of the superintendent, J. W. Carson.

At the meeting Wednesday an order was passed discontinuing his services. Commissioner Lloyd protested against the order and voted against the motion. Commissioner Barker moved that the services of Mr. Carson be discontinued at the expiration of this month and that he be notified by the clerk to vacate the premises and to remove his effects.

Wednesday afternoon Peter Floeck, clerk of the court, sent the notice to Mr. Carson by registered mail. The salary of the superintendent is \$150 a month and Mr. Carson has had charge since March, 1912. The last previous

effort to remove him was two years ago when some members of the commissioners' court first tried to appoint some one else and then considered holding up his salary. The effort, however, was unsuccessful.

Mr. Carson was appointed following a competitive examination held under the auspices of the Agricultural and Mechanical College.—Houston Post.
